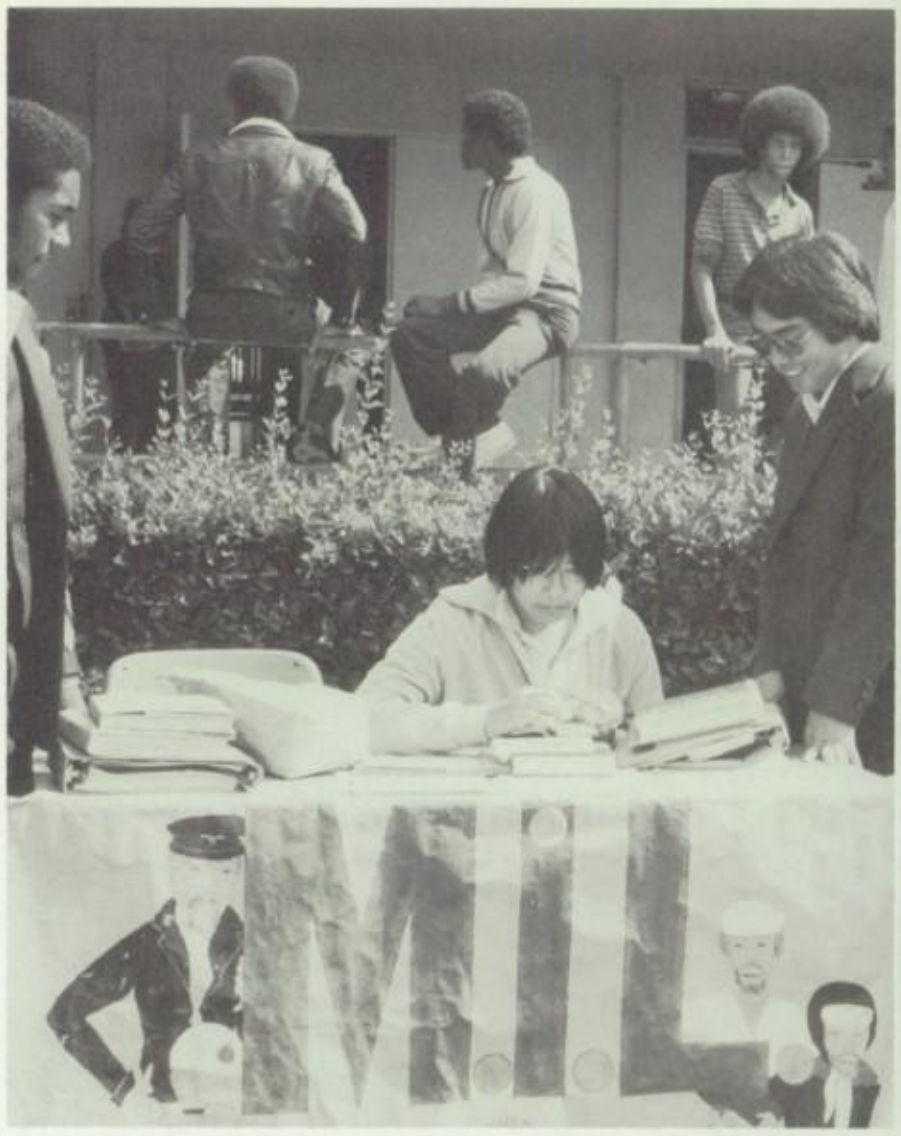
ACTIVITIES

JOIN-A-CLUB WEEK

Join-A-Club Week was held from October 8 to October 12. This Girls' Involvement Council activity gives Dorsey's students a chance to participate in school and community events by joining any of the various organizations. Service, honor, and special interest clubs palced tables for sign-ups in the circle at lunch. The organizations that took part in this activity were pleased with the enthusiasm shown by the new members.

Bottom right: Sharon Moy adding her name to the GIC new member list. Bottom left: Wayne Wilson and Peter Rogers signing up new applicants for Key Club.



RISE AND SHINE

On October 10, 1979, the Knights and Ladies held their semi-annual Faculty Coffee Hour. The members of this organization woke up extra early that morning so they could greet the faculty before school began. Under the theme "Rise and Shine," the Knights and Ladies and teachers gathered in the faculty cafeteria for some hot coffee and refreshing conversation.

HOMECOMING

1979

"Back Down Memory Lane," this year's theme, left sweet memories for the Dons and Donnas, as Dorsey crushed Sylmar, 26 to 0. The pep rally at lunch, the sale of balloons and buttons, and the preparations for the parade highlighted this Friday, October 26. Pregame activities featured the crowning of our King and Queen, Keith Dancy and Candy Sweet. Student Council's beautiful float carried the Homecoming court around Jackie Robinson Stadium. On Saturday, following the Don's victorious night, the Homecoming Dance was held at the University Hilton, where many old friends and past students attended and agreed that this year's events were truly memorable.

"ALL THE WORLD IS A STAGE . . ."

Once every year, witches and goblins appear on the campus. The Sixth Annual Halloween Extravaganza, celebrated here at Dorsey, was held on Wednesday, October 31 during lunch. This fun-filled affair was engineered by the Girls' Involvement Council. With the help of various clubs this Extravaganza was a tremendous success. There were fund-raising activities, such as a frisbee throw, a basketball toss and a bubble gum blowing competition. A wild costume contest and many more activities highlighted the afternoon. Also there were goodies like popcorn, rice crispies, candies, bake goods and the famous Witches' Brew. Everybody had a terrific time at this WILD festivity.

TODAY'S WOMEN — NO DREAM IMPOSSIBLE

Girls' Week was held from November 5, 1979 through November 9, 1979. "Today's Women — No Dream Impossible" was the national theme. The Girls' Involvement Council sponsored many inspiring activities such as a picnic in the circle, a "Kickoff" assembly. Find a Teacher Day, and Girls' Day in the Community. The Girls' Letterwomen Society held a special sports assembly using the theme "Women in Sports." For the "Kickoff" assembly, the Donnas were honored to have Marla Gibbs of the popular television show "The Jeffersons" as their guest speaker.

MILLER DOES IT AGAIN

Just before Christmas vacation, Dorsey High held its Annual Door Decorating Contest. Entry doors were judged by Student Council and selected faculty members. For the third consecutive year, Miller did it again. With his ingenious ideas, he and his homeroom produced a door that scored the highest in the areas of originality, creativity, and neatness. Congratulations Mr. Miller and Homeroom F2!!

Top Left: Team effort wins all!
Top Right: First place winning door.

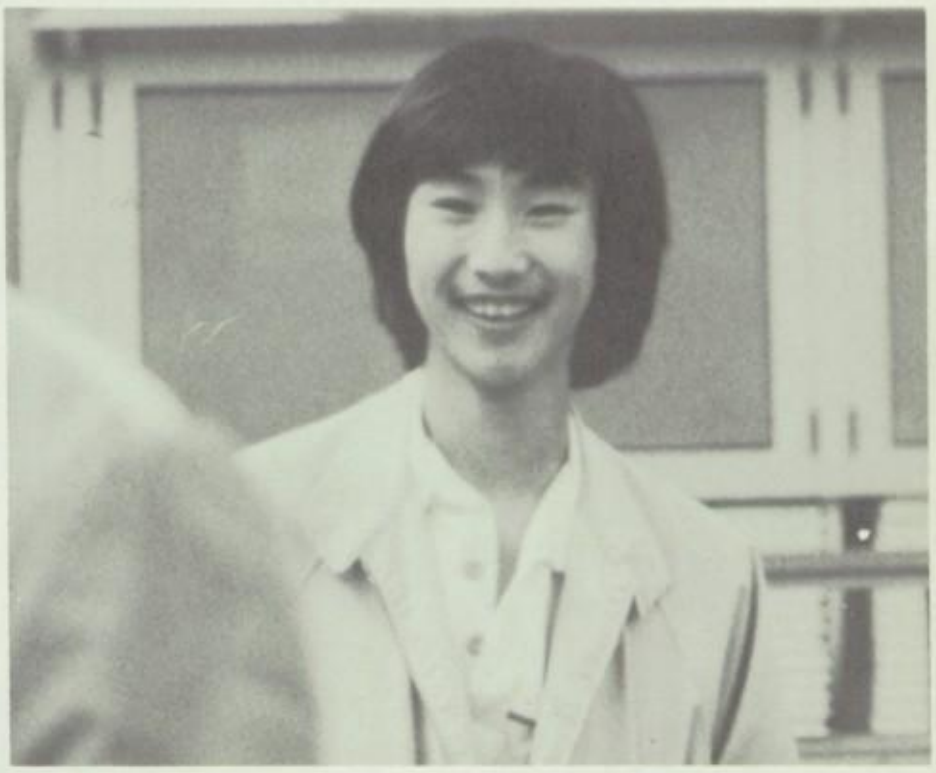
DERBY DAY

Not all pine wood is used for toothpicks and telephone poles. The Physics Department has found a new use for pine, making them into cars. The Annual Pinewood Derby was held on December 20, 1979 in F2. Students from Mr. Miller's Physics Class, periods one and three, who were motivated by the thrill of racing and the extra credit points, competed in the race. The winner from each period then had a chance to participate in the 'Grand Prix," which took place on the next day, to determine whose car was the best. Sammy Kozono won the Grand Prix with the speediest time of 2.465 seconds and Larry Ikemura won for "Best of Show."

Top Left: Ryan Matsuoka at the starting gate. Bottom Left: Go Ted, go! Top Right: Sammy Kozono, winner of the Grand Prix. Bottom Right: On your mark, get set go!



COMMEMORATING DR. MARTIN LUTHER KING

Dr. Martin Luther King Jr.'s birthday was celebrated on January 14th, with an invitational assembly in the auditorium. The students who attended were entertained with the program given by Hollenbeck Junior High. Shawn Patterson and the Hollenbeck Choir captivated the audience with their beautiful voices. Also, a biography of Dr. King was read, in this tribute to a great man.

SPIRITED MUSICI-ANS

This year, Dorsey was visited by two very special groups: "Halloween" and "Hiroshima." "Halloween" showed us the real meanings of the words flashy and unique, with the help of such group members as the macabre Lady Midnight, the eerie Dr. Mime N Time, and the mysterious County Swansalini. "Hiroshima" introduced us to a new and original sound which they accomplished by blending together traditional Asian instruments with modern ones. We are proud of "Hiroshima" as four of the members of this popular group are Dorsey graduates.

Left: Halloween
Bottom: Hiroshima

"THE GOOD DOCTOR"

The comedy "The Good Doctor," staged by Play Production on January 16th and 17th was a huge success. With great finesse and skill, this special class offered the students and staff of Dorsey High School a chance to appreciate some of their true artistic talents. As a result, an agent who had viewed this play chose three students, Janell Starks, Robert Richardson, and Phil Jackson, to further their careers in the field of theatre arts. Good Luck to Play Production and especially to those lucky three.

"A WESTERN ROUND-UP"

Service club members had the chance for good food and good times at the "Western Round-Up." This Girls' Involvement Council activity took place in the small gym, on February 11th. The students in their western gear, participated in a three-legged race, a bubble-gum blowing contest, and a costume competition. After these games, it was time for everyone to eat the delicious food, brought pot-luck style, by attending club members.

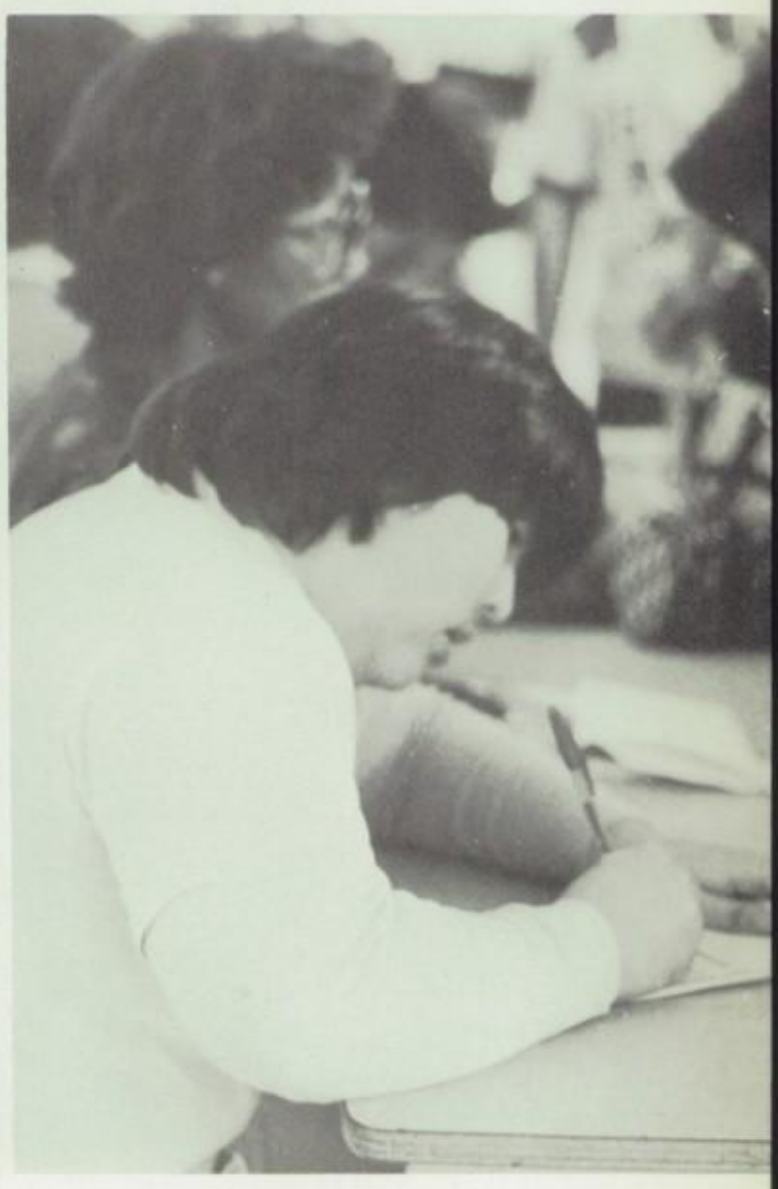
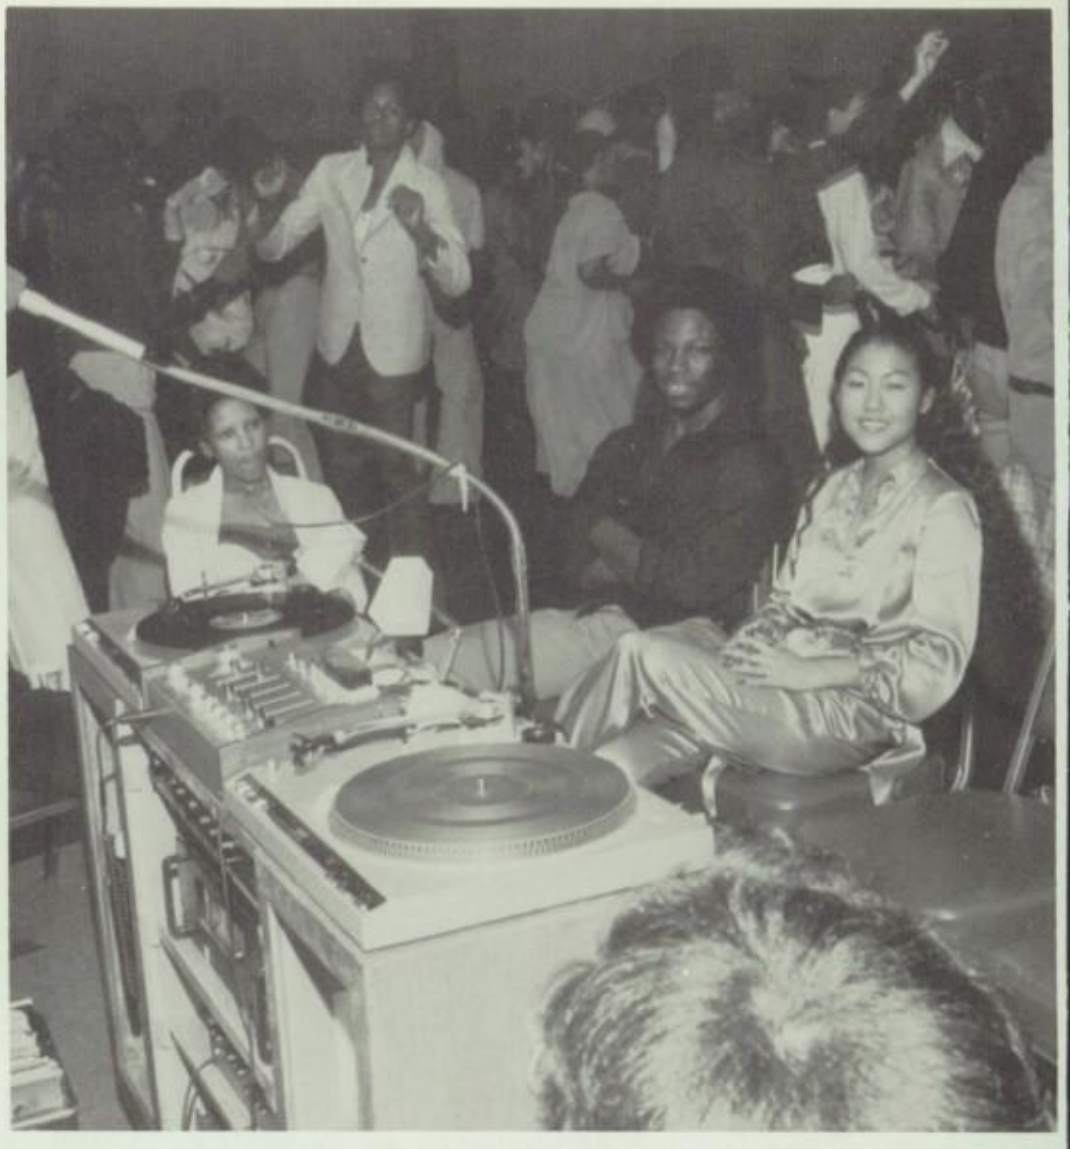
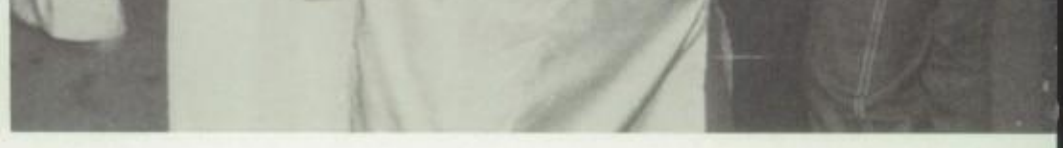
HEARTS FOR SALE

During the week of February 4th-8th, Knights and Ladies took their annual orders for Valentine Grams. Personal messages were written on charming little hearts with suckers or flowers and were delivered to the recipients' Alpha Room on Valentines Day. There was an added glow to those who received a gram on this special day!!

Top Left; "What did you say his name was?" Top Right: Announcing . . . Bottom Left: "You make my wiggle waggle." Bottom Right: Lady Cheryl taking orders.







"A TOAST TO THE SENIORS"

The senior class held its second successful dance of the year at the Los Angeles Convention Center on February 22, 1980. "Shell," the devastating D.J., kept everyone rocking to the beat from 8 p.m. till 1 a.m. Not only did the dance leave all with some unforgettable memories, but it also raised money to help the seniors to graduate at the Hollywood Bowl. Everyone had a terrific time!

F-I-R-E Fire It Up!!

Game Day — everyone's excited — there's a Pep Rally at lunch. The Dorsey Don's Cheerleaders and the Student Body gather in the circle to cheer, applaud and recognize the team. Everyone responds with loud enthusiastic cheers and a great degree of fervor. This spirited crowd of students encourages the team to put forth their best efforts.

Way to go Dons!!

VARSITY FOOTBALL

Displaying courage and great sportsmanship, the 1979-1980 Dorsey Dons confronted a totally new league, with the exception of our old rival, L.A. Traveling to the outskirts of the city, they accepted the challenge on unfamiliar gridirons. The Green Machine gained the respect of the fans both home and abroad. They did so in part with outstanding offense by W. Johnson and A. Messengale, and with aggressive defensive plays by B. Davis and M. Winston. We salute the mighty Dons for their courageous and exciting performances.

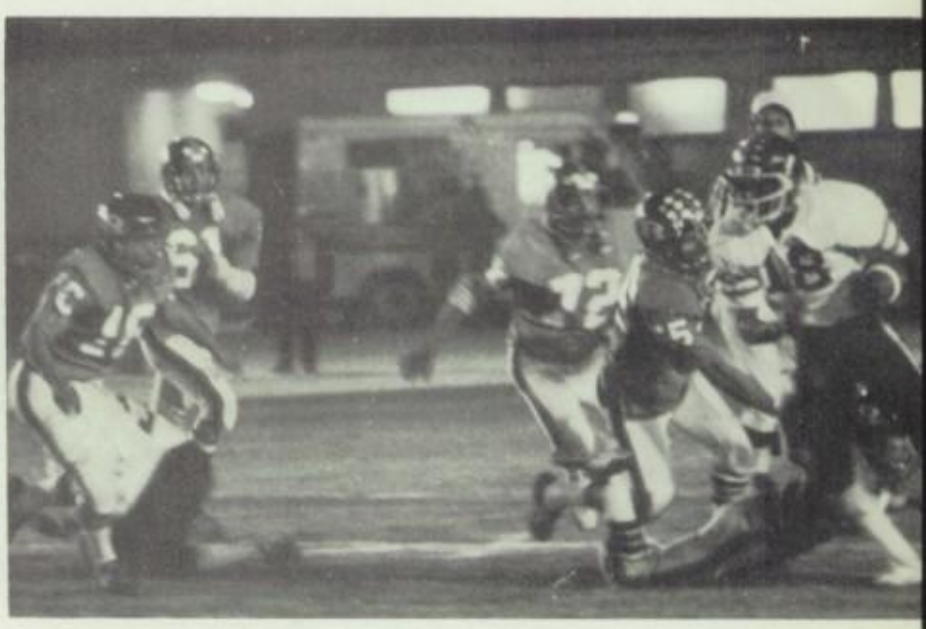
Dorsey's overall record was
6-1-2



As the previous year, the girls' basketball team had an abundance of talent. Under the coaching of Sandy Cox and the brilliant play of returning starters Lauren Shur and Lanette Smith, the team played tough and well. In the competitive Southern League, the Donnas came in a tie for second place with Westchester, but lost the tie-breaking game despite an excellent performance. Even though their season may not have been as successful as hoped, their attitude was one of champions.

With new coach Jack Metalsky, the return of four varsity players, and a group of promising new players, this year's team felt optimistic. In the highly competitive City West league, the Donnas often seemed to fall just short of winning. The final season record was 2-7. Nevertheless, in what can be described as a frustrating season, there were outstanding performances by Tracy Telemaque, Theresa MacDonald, and #2-city ranked Theresa Jennings, who reached the quarter-finals in the city individual tournament.

The spirit which we have at Dorsey . . . is great

"Boy, I can't seem to get this paint . . ."

"What are we supposed to do???"

"The music I play is great!!"

Time is not wasted here at Dorsey, teachers and students know what to do . . .

I wonder how long she can hold that note . . .

Boy, this class sure is boring

Hmmm . . . I hope these answers are right.

A GREAT START FOR THE NEW SCHOOL YEAR

At the beginning of the new year, Dorsey's entire student body met in Jackie Robinson Stadium for the Annual Orientation Assembly. The assembly gave new Dorsey students a chance to familiarize themselves with the Dorsey administration, the Student Council, the various clubs and organizations, and Dorsey's athletic teams.

Top right: Our Principal, Mr. Larry Foster, welcoming the students. Middle: Dorsey's Marching Band and Drill Team. Bottom left: Student Body President Andrea Cabiness. Bottom right: Presidents of the various clubs and organizations.

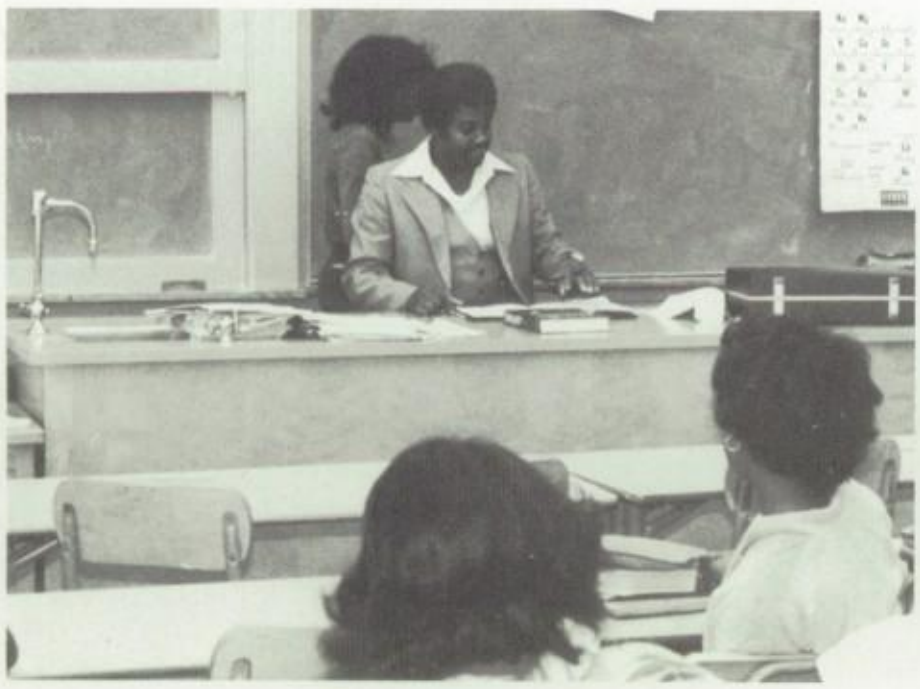
"WELCOME BACK, MRS. COLE!"

Mrs. Cole, one of Dorsey's outstanding teachers, is back with us again after a 5 year leave to Rochester, New York. There she served as a medic and a driver on an ambulance. She returned to Los Angeles in August, 1979, and prior to coming back to our science department, she taught at Westchester High for one semester. Her first teaching assignment at Dorsey began in September, 1964, where her training started as a student teacher. Her teaching strengths are in advanced physical science, biology, and chemistry. Aside from being a teacher, she also served in many other positions at Dorsey which included Dean of Girls, assisting in the Vice Principal's Office, Science Dept. Chairman, and Pleiades' sponsor. She enjoys teaching very much and is delighted to be back.

On behalf of the students of Dorsey High, we welcome you back, Mrs. Cole, hoping that your years of teaching at Dorsey will be memorable ones for you.

"Flowers for me?"

Gee, I wonder if that's the new science teacher?



"Who took my roll book?"

Mr. Saunders back in the 60's.

"Whew! The end of another day."

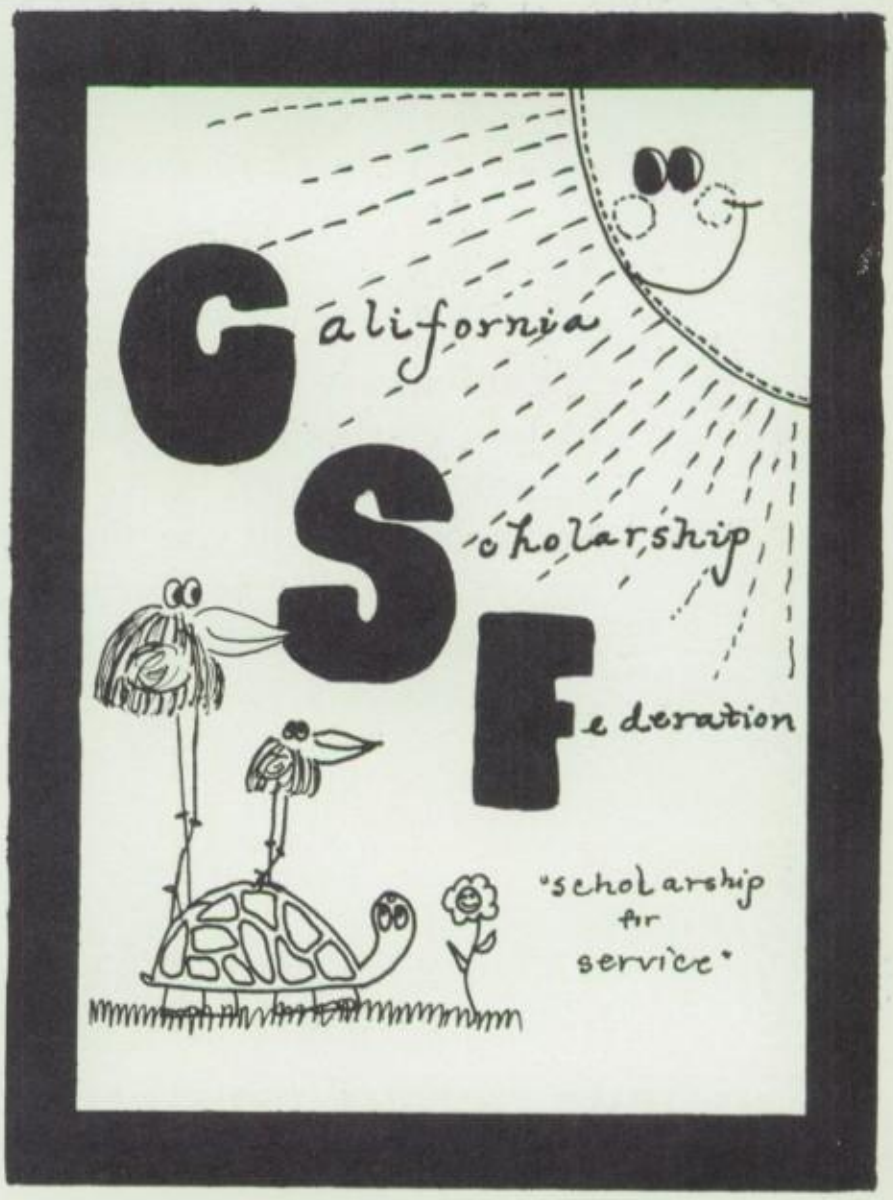
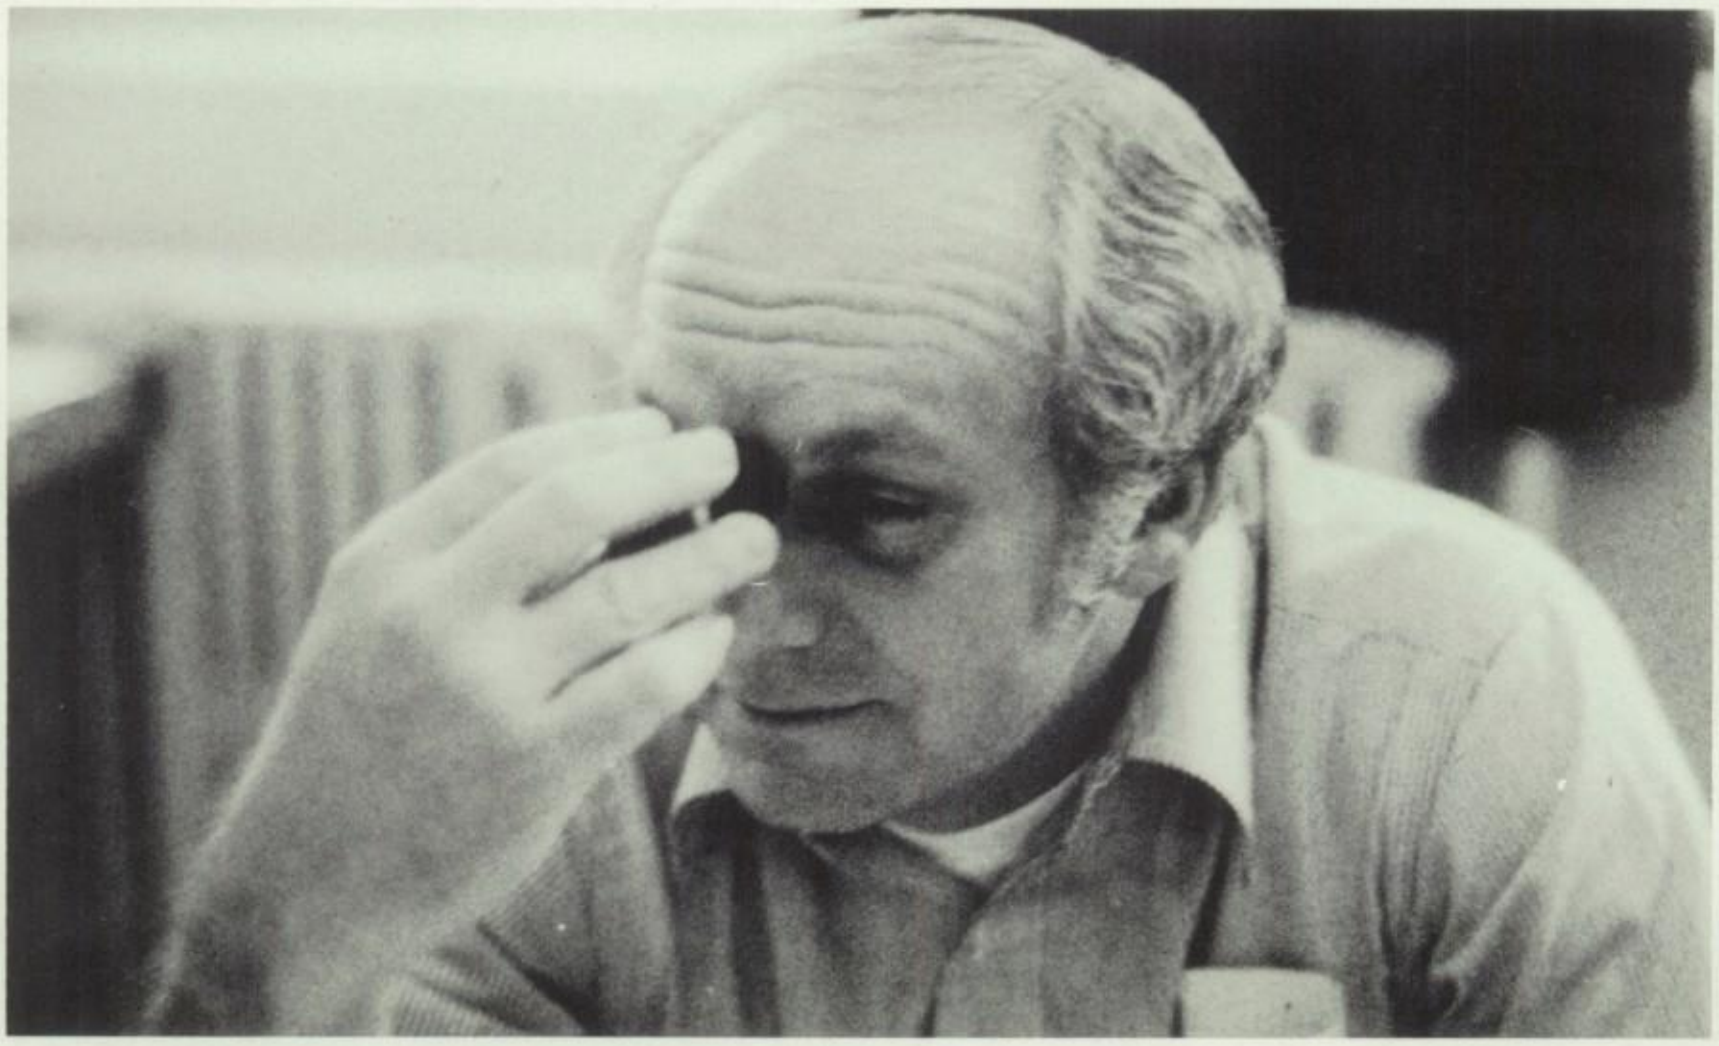
"WE BACK EVERY BITE"



"SO THIS IS WHAT YEARBOOK DOES TO YOU!"

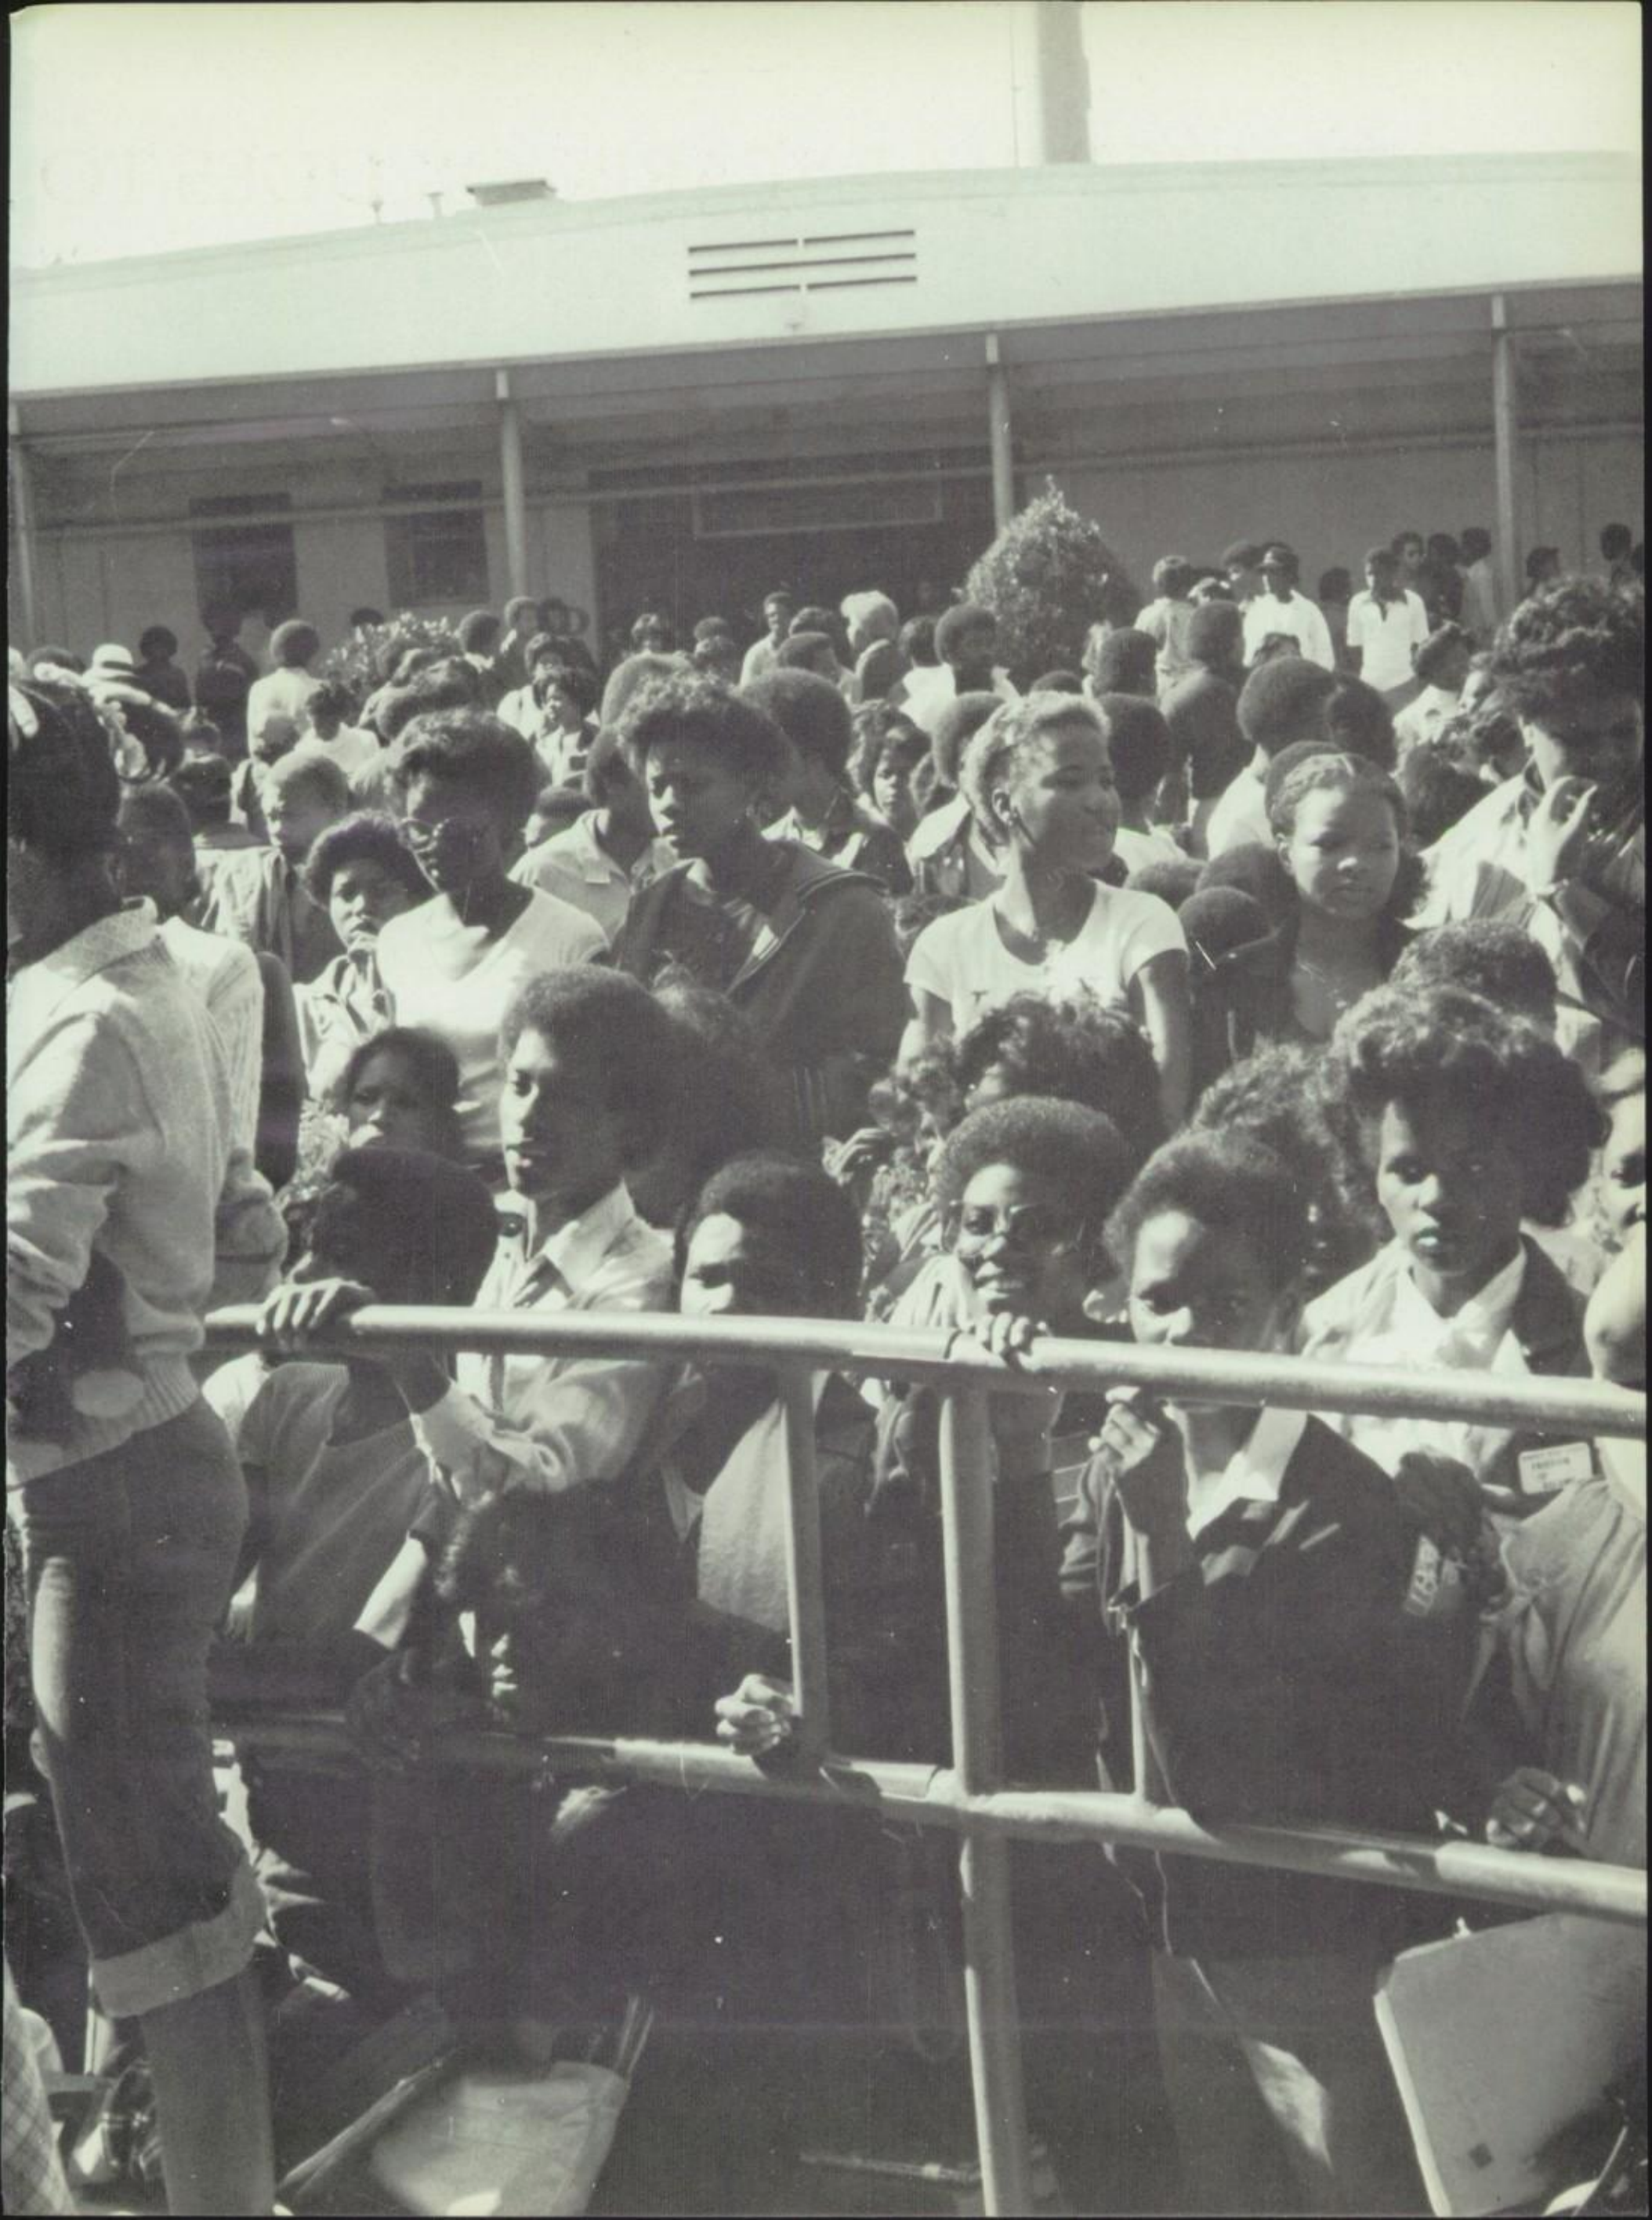


Mr. Torek,

We enrolled in the class willing to work, but inexperienced in how to make a yearbook. With your assistance and consideration, you helped us make a memory. We're glad that you are the advisor because we know that without you, there would be no 1980 Yearbook. We really appreciate all the headaches, aggravations, and frustrations you have gone through. Thank you for making it happen.

With much love and admiration,

The 1980 YEARBOOK STAFFERS



ACKNOWLEDGEMENTS

A special thank you to everyone
who made Circle '80 possible.
Mr. Lawrence Foster, Principal;
Mr. Willard Love, Assistant Principal;
Mrs. Joan Elam, Assistant Principal;
Mr. Morris Denton, Administrative Dean;
Mr. P. W. Torek, Advisor (for all your patience, innovative talents, guidance, understanding, and dedication.);
Mr. Harry Fitch and the fantastic staff over at Roberts' Photography;
Mr. Steve Eddy, Taylor Publishing Representative (whose immense patience I'll never understand.);
The 1980 Yearbook Staff (the craziest staff that ever drew up quad-paks, cropped pictures, wrote copy, took pictures, typed captions . . .);
And last but not least, the entire student body and faculty of Susan Miller Dorsey High whose cooperation and support made this yearbook possible.
